WORK EXPERIENCE

GeeksforGeeks **Jun 2026 – Present**

Campus Mantri (Campus Ambassador) *Loni, India*

- Spearhead campus outreach initiatives, organizing technical workshops and coding contests that increased active student participation by 40%.
- Mentor 150+ students on leveraging GeeksforGeeks resources, improving campus involvement in Data Structures and Algorithms challenges.
- Coordinate cross-functional promotional campaigns across social media channels, boosting event registration rates by 25%.
- Collaborate directly with central program managers to execute placement-focused coding events and cultivate a strong developer community.

PROJECTS

RealEstate Management System | React.js, Node.js, Express.js, MongoDB, Tailwind CSS **Live Demo**

- Engineered a scalable full-stack real estate platform serving dynamic property listings with custom search and filtering capabilities.
- Architected secure RESTful API endpoints and implemented MongoDB indexing, cutting search query response latency by 35%.
- Integrated JSON Web Token (JWT) role-based access control (RBAC) to enforce strict user permission levels across administrative and buyer routes.

Helpora – Service Booking Platform | React.js, Node.js, Express.js, MongoDB, Tailwind CSS **Live Demo**

- Developed an end-to-end service booking platform connecting users with verified local professionals across 10+ service categories.
- Designed a responsive user interface with React.js and Tailwind CSS, reducing average initial page loading times by 30%.
- Built and optimized Node.js/Express backend APIs for scheduling, provider verification, and user management, maintaining sub-200ms latency.

ACHIEVEMENTS

- Selected as GeeksforGeeks Campus Mantri to lead technical initiatives and increase engagement among 300+ campus developers.
- Deployed 2 full-stack production MERN applications on Render featuring JWT authentication, responsive UI layouts, and REST APIs.
- Maintained an academic CGPA of 9.67 / 10.0 in Bachelor of Engineering while solving complex DSA problems in Java.
